TRAIL GUIDE PRO FORMA GENERAL BRIEFING NOTES:

Firstly thanks for agreeing to become a contributor to Trail Running Magazine (Australia & New Zealand) and thanks in advance for your time and effort in collating some TRAIL RUN GUIDES in your region.

In each and every edition of the emagazine, we plan on having a minimum of FIVE trail run guides. These guides will cover trail runs that are accessible to the general populations of major cities in Australia and New Zealand i.e. we're not talking big wilderness runs – they will be covered elsewhere in the magazine.

IN general, these runs need to be within an hour and a half of a major city or regional centre. So about 100km (or thereabouts) from a CBD. Runs should be between 5-30km long.

We need all of the guides to be in the same format, same length and with same information contained. Thus we have formatted a pro forma for you so you know exactly what needs to be supplied.

Here's a RUNDOWN of what we need, with notes and an example description at the end.

I have attached another BLANK PRO FORMA DOCUMENT with just the headings for you to fill in and submit after doing your run/s. Keep a blank copy if planning to do many guides. And remember that we'll need image/s!

You can complete as many or few guides as you like, but the more the merrier. By submitting your guide you recognise that copyright will rest with Trail Run Mag, to be used in the magazine and potentially online, only and always with due reference you as the original author. Trail Run Mag will, in the future, endeavour to pay for contributions pending the commercial realisation of the magazine, but for the foreseeable future we must ask that you 'donate' your guide.
